A social enterprise. An authentic platform for pure craft.

Established in 2010, Gurgaon, India.

We are headquartered in Gurgaon, India near the capital city of New Delhi. Our objective has always been to empower our artisans to deliver sustainable products of the finest quality. We devote ourselves to these causes. Each of our products are handcrafted and unique. Each product tells the unique story of the artisan who made it.

Supporting eco-friendly choices

Creating awareness for craft is inextricably linked with promoting ecological choices with a few exceptions. The Indian crafts practitioner is perhaps the greatest conservationist who strives to live in harmony with his environment. While, we do our best to promote eco-friendly choices to the best extent possible, there are a few exceptions where helping livelihoods may take precedence, simply due to our commitment to help every craft form and every type of artisan from our hinterlands.
